Thanks, John.

Both Marna and I will be out of the office tomorrow. However, I will be checking my bb regularly and please feel free to call my cell at 248-701-1543 if you need immediate assistance and can't reach anyone. Given that most of this is policy, I don't anticipate that we will have all that much to do with regards to the public rollout, but you never know.

Thanks!  
Mindy

Based the Sussman call last evening, the RA and Mathy will be notifying the head of PADEP @ 9am this morning of the Agency's decision to provide water to 4 homes and to sample another 61 over the next 3 weeks.

Cabot will be contacted within 2 hours after state is notified. Public roll out is tomorrow.

I will forward the action memo and communication documents to Mindy separately.
